## REQUIREMENTS BETA MEMBERS

Beta is a network in the field of Operations Management and Logistics in which the Operations Management and Operations Research groups of CWI Amsterdam, Eindhoven University of Technology, Ghent University, Hasselt University, KU Leuven, Maastricht University, Tilburg University, University of Antwerp, University of Twente, VU Amsterdam and Wageningen University and Research work together. Board members nominate new Beta members of their university and advise the Beta board.

### Conditions for admission are:

- He/she is appointed as full professor, associate professor, assistant professor or postdoc within one of the groups participating in Beta;
- He/she is actively involved in research within the scope of Beta.
